**CREATE A SAFER ONLINE,  
PROTECTING THE THINGS THAT  
MATTER.**

# Stop Cyber-bullying be cyber kind.

---

# What is Cyber-bullying?

---

# Parental Guide:

---

C@YKIDS (Cayman Cyber Kids) is a new program that takes on the hard issues surrounding cybersecurity and the way we keep our family safe. Our first priority is to bring awareness on these topics such as the healthy use of devices, protecting your personal information and recognizing malicious threats and how to block them.

Cyber bullying is an aggressive and intentionally hurtful or intimidating behaviour online directed towards someone.

- Encourage kids to set up private chats with trusted friends to avoid unwanted comments and exposure to inappropriate conversations.
- encourage your kids to keep chats conversation relevant to the game.
- Implement restrictions in the app store and search engine such as google.

# Recognizing signs of Cyber-bullying:

---

**C@YKids**

- Anger, depression or frustration after using any devices.
- Stop accessing social media, apps or games.
- Uneasy about going to school.
